34. Fold the 8 areas.

35. Press the 4 marked corners to pinch the paper, it will rise then.

36. The result. Turn the model over.

37. The result.

Starting with a 26 x 26 grid, allowed to create 64 tips rather than 36.

Start with another grid (30 x 30 for example) and you'll get a photo frame...
